

# St. Augustine School 2018-2019

July 27, 2018

Dear Parents:

We hope everyone is enjoying their summer fun with family and friends. Although we still have several weeks of fun left, planning for the 2018 - 2019 school year has begun. We hope the following information will be useful while you plan your academic calendars and mark off the dates of our fundraising events. As always, the continued support you show the children, and St. Augustine School, is enormously appreciated.

We would like to warmly welcome new families to our school. We are hoping that St. Augustine School will become for you and your children a "second home". If you have any questions about our school or fundraising events, please do not hesitate to contact the Home and School Board at: [homeschool@staugustine.org](mailto:homeschool@staugustine.org). We plan to hold a new parents meeting in the fall; in the meantime please check online for our New Parent Survival Guide.

This year, the Home & School Association consists of twelve board members who meet on a monthly basis, with Sister Mary Elizabeth and Mrs. Debbie Fessman, to implement fundraising events and ideas to benefit the children of St. Augustine School. We use the funds raised to enhance their learning environment. If a parent wishes to attend a Home and School meeting, please contact a current board member for our meeting schedule. The first hour of the meeting is open to parents who wish to contribute ideas. The session is then closed and becomes a working meeting.

Every day at Saint Augustine School we count on help from our parents. Our annual volunteer sheet is enclosed. Please review the events and see if there is an opportunity for you to help out. Information on volunteering for our art room and specific fundraisers will be sent separately by our Volunteer Coordinator, Danielle Muecke.

A full financial accounting will be provided at **Back to School Night on September 12, 2018 at 7:30pm**. Our fundraising efforts this past year were extremely successful. Fundraising provides money for updates to the school, assemblies and enrichment programs, teacher seminars, student dances, recess equipment, Sunshine Fund, classroom supplies and our petting zoo.

The School Gym, Cafeteria, and Library are open to use by our student groups, such as scouts and CYO sports teams. If you wish to reserve rooms for an event please contact Jessica Vescio through the front office with a note or e-mail: [calendarsecretary@staugustineschool.org](mailto:calendarsecretary@staugustineschool.org). Please do not assume that the days or dates you have had in the past will be carried over to this school year; you must have your time slot confirmed.

The school supply list is available on the school's website: [www.staugustineschool.org](http://www.staugustineschool.org). The list is organized by grade for your shopping convenience. If you took part in the Pack to School Supply sale, your order is available for pick up at Value Drugs in Briarcliff Manor. **Please note that book socks are not allowed for any grades. They cause damage to the spine of the books.**
