

“Whatever you do, do it with all your heart.”

~Colossians 3:23

Catholic School Week at St. Augustine School was certainly “ALL HEART” 

As we begin all things, we began the week in prayer, at the Open House Mass, followed by a very successful Open House at our school. We met many new families and relied on many of our students who volunteered to give tours of the school.

The festivities began on Monday with the Holly Rock Assembly, a long time favorite of our students, many laughs and some friendly competition brought out everyone’s best effort in Spelling, Geography, Tug of War and Scooter Races.

All week long generosity was on display as donations poured in from the students in the form of the Coin Wars...producing \$1,700 total in donations to be sent to our MaryKnoll Missionary Family –the Johnsons in Africa.

Eagle Bingo, SAS Trivia, Baby Pictures, Color Day, Crazy Hair & Hat Day, and Super Uniform Day along with our little ones participating in Career Day, Cozy Day and Mismatched Day, were all high spirited days full of laughter and fun for our school community. What a week it was for all involved!

We capped it all off with a School Pep Rally on Friday showcasing our student athletes playing with heart.

Catholic School Week is a time when all our students, faculty, staff, and volunteers come together with Christ-like character, with honesty, with diligence, with integrity, and with humility to truly *do it ALL ...with all our hearts!*

~Sr. Mary Elizabeth
